

DIY Upcycled Ornament Candle Holders

Lauren Makk

Materials:

Holiday ornaments

Hot glue

Disposable party champagne flutes

Plumbing tube

Serrated knife

Gold spray paint

Gloves

Sanding sponge or sandpaper

Directions:

1. Cut plastic tubing into 2 inch pieces with knife
2. Smooth the edges with a sanding sponge or 220 grit sandpaper.
3. Gather ornaments, champagne flutes, plastic tubing pieces, sanding sponge and glue.
4. Take off bases of flutes and tops of ornaments.
5. Add a generous amount of glue to the base and start stacking ornaments.
6. Once you get to desired height, glue your 2 inch plumbing tube to the top.
7. Pray paint them gold in a well ventilated area.
8. Add candlesticks and enjoy.
